

Kumamoto-Taiwan Students Summit 2026

Tentative

Rising Researchers on Semiconductor

Theme:

Semiconductor + α

October
20-23
2026
at Kumamoto

Students from Kumamoto and Taiwan's leading universities will explore the future of semiconductor innovation through lectures, company visits, teamwork, and cultural experiences in Kumamoto.

Kumamoto × Taiwan
Industry × Academia
Semiconductor × Future

4 DAYS OF
DISCOVERY!

Day 1
Learn & Connect

  

Lectures Workshop Welcome Reception

Day 2
Industry Experience

Company Visits

Day 3
Collaboration

Group Presentation

Day 4
Explore Kumamoto

 

Mt. Aso Excursion Earthquake Museum

A four-day journey of learning, innovation, collaboration, and discovery.

Highlights:

- Learn from Leading Researchers
- Visit Semiconductor Companies
- Collaborate in International Teams
- Create New Ideas for “Semiconductor + α ”
- Experience Kumamoto Culture & Nature

Let's shape the future of semiconductors together!

Organized by: Kumamoto University (KU)
